

New Novel, Giants of Iniquity: a San Francisco Omen

GIANTS OF INIQUITY

A SAN FRANCISCO OMEN

A new novel, *Giants of Iniquity: a San Francisco Omen*, entertains while exploring societal issues exemplified in San Francisco and relevant in the broader USA. The humorous depiction of alien giants invading San Francisco acts as a metaphor for the big tech firms, political power agents, corrupt spiritual leaders, and corporate monopolies.

Why *Giants of Iniquity* matters?

- Entertaining, humorous, fun
- Strong appeal to Millennials and Generation Xers
- Cult Classic Potential
- Engaging social commentary on USA and San Francisco, relevant and newsworthy
- Paranormal and spiritual topics from UFOs to aliens make a fun read, great metaphors for our crazy leaders today and the times in which we live
